Autumn Term

Year
One

Phonics

In phonics, we will continue to practise blending sounds.

We will be using capital letters, finger spaces and full stops in our writing.

We will be checking our reading and writing makes sense.

RE & Character Education

We will learn to name and describe the properties of a range of materials.

We will carry out simple tests and present our findings.

Physical Education

We will learn fundamental skills and target games.

With Mr Medley, we will be learning tag rugby and gymnastics skills.

Maths

At the start of this year we learned about number place value.

We will learn how to add and subtract using numbers up to 20.

We will learn our ten times tables.

We will learn how to half shapes and amounts up to 20.

Memorable events

We will do lots of outdoor learning, including nature trails and flower hunts.

We hope to perform a Christmas Production in December.

We aim to book an experience day with a special visitor who will bring a wide range of old indoor and outdoor toys.

Virtual tour of London during geography on our very own Witham tour bus.

The Arts

In art we will be practicing our drawing skills in our sketchbooks and creating a sculpture of a toy.

In music we will learn to change the pitch and volume of our voice and sing our Christmas songs.

RE and Character Education

In RE, we will learn about the creation story for different religions.

We will learn about Islam and their beliefs.

We will be learning about friendships and healthy lifestyles.

History & Geography

We will look at the countries in the UK.

We will look at the physical and human features in our environment.

We will learn about how toys have developed over time.

Computing

In computing, we will look at computer technology and computer parts.

We will have also developed our typing and trackpad skills on a laptop.

TOYS THROUGH TIME
