## Autumn Term

Year  
Two

### English

We will read and listen to a variety of books.

We will learn about traditional stories and focus on specific authors.

We will follow and create our own instructions.

We will create our own poetry

### RE & Character Education

In RE we will explore Islam.

We will also learn about friendships, respect and healthy lifestyles.

### Physical Education

In PE, we will be mastering our basic movement skills and participating in team games.

### Maths

This term we will develop our arithmetic, and fraction skills.

We will also be expanding our understanding of addition, subtraction, multiplication and division.

### Memorable events

Within our topic learning we will take part in an Experience Day.

We will take part in our own Christmas production.

We will take part in a variety of different workshops.

Harvest Festival and Remembrance Day

### The Arts

We will explore the painting style of Jan Griffier and create our own in this style.

We will learn and explore the functions of axels

In music, we will begin to explore rhythm within music

### Science

We will learn about different materials and their properties as part of our chemistry learning and carry out experiments to help us.

We will explore why different materials are chosen for their specific purpose

### History & Geography

We will learn about the Great Fire of London.

We explore how, why and when it happened.

We will use atlases and maps.

### Computing

In computing we will explore how technology is used in the home and at school.

We will learn how to capture a successful digital image.

Internet Safety - look at what information should be kept private

# FIRE! FIRE!
