Spring Term

Year One

Phonics

In phonics, we will continue to practise blending sounds.

We will be using capital letters, finger spaces and full stops in our writing.

We will be checking our reading and writing makes sense.

Science

We will learn to classify and describe animals including humans.

We will look at the weather and the four seasons.

Physical Education

We will do gymnastics with Mrs Dixon and Miss Whitman.

With Mr Medley, we will be learning about Net and Wall.

Maths

This term we will learn about place value, 2D and 3D shapes, weight, length and begin to learn about multiplication and division.

We will begin to learn our 2 times tables.

We will continue to halve shapes and amounts.

Memorable events

We will do lots of outdoor learning, including creating a stickman, inspired by the Julia Donaldson story.

We will have a school visit to Lincoln Castle, where we will undertake various workshops to aid our understanding of Castles and significant events at Lincoln Castle.

The Arts

In Art we will be practicing our printing skills when creating a castle scene.

In DT we will make a drawbridge.

In Music we will learn about pitch and rhythm.

RE and Character Education

In RE we will learn about Judaism and what it is like inside a Mosque.

In Character Education we will look at Mental Health.

History & Geography

We will look at Castles from the past in History, focusing on Lincoln Castle.

We will learn about the continents and oceans in geography.

Computing

In computing, we will be gathering data and investigating how we can record data on iPad and computer devices.

We will also begin to interpret and read what data is telling us.

CASTLES
