

Curriculum Newsletter

Spring Term

Year
Two

English

We will continue to read and listen to a variety of books.

We will learn about non-chronological reports, reading them and creating our own.

We will learn about stories from other cultures and use this to inform our own writing.

RE & Character Education

In RE we will look at thankfulness through the Christian and Jewish religions.

We will focus on mental health and wellbeing and families.

Physical Education

We will be developing our running and coordination skills through net and wall games, invasion games and sending and receiving games. We will also be doing gymnastics.

Maths

This term we will continue to build on our arithmetic, and fraction skills.

We will also be expanding our understanding of time, measurements, multiplication and division.

Memorable events

We will take part in an experience day linked to our history learning.

Safer Internet Day and British Science week,

World Book Day and be visited by author, Luke Temple.

The Arts

We will explore artwork by Rosalind Monks and use this to inspire our own print artwork.

We will construct our own stable structure.

In music, we will begin to explore the Djembe drums and composition.

Science

We will learn about a variety of living things and their habitats.

We explore microhabitats and adaptations.

We will learn about and understand food chains.

History & Geography

We will compare New Guinea to Lincoln and learn about their features.

We will learn about key explorers in history and why they are important.

Computing

In computing we will look at data and programming.

As part of Internet Safety, we will look at what information should be kept private online and take part in internet safety day.

Around the World
