

Curriculum Newsletter

Spring Term

Year
Three

English

We will be learning how to write a play script for a short film.

We will also be developing our letter writing skills.

We will continue to expand our knowledge of poetry.

RE & Character Education

In RE, we will explore the Christian teachings of the bible.

We will also learn about mental health and wellbeing in Character Education.

History & Geography

We will learn about the significant events that happened from the Stone Age to the Iron Age period.

We will also investigate important landmarks from this period.

Maths

This term we will be re-visiting addition, subtraction, multiplication and division.

We will learn about length, mass and volume.

We are also going to start to learn how to measure the perimeter of a shape.

Memorable events

During this term there are many exciting opportunities for the children:

World Book Day, Year 3 & 4 production, a trip to Creswell Crags and an experience day all about the Stone Age to the Iron Age.

The Arts

In art, we will explore decorative printing techniques using Inspiration from Andy Warhol.

In D&T, we will be building our own cave out of papier-mâché.

We will continue to build on our music knowledge during our sessions with a specialist teacher.

Science

We will learn to name and describe the properties of rocks and soil.

We will carry out simple investigations and present our findings.

Physical Education

We will learn a range of ball control, passing and balancing skills during netball and hockey.

We will create and develop a range of dances.

Computing

In computing, we will learn how to create media by creating and publishing desktop documents.

We will learn how to collect data and record this in a digital database

STONE AGE TO IRON AGE
