Summer Term

Year
Four

English

We will be studying various types of writing, including Greek mythology, recounts, explanation texts and poetry.

We will be reviewing a range of grammatical terminology.

We will be reading 'Edward Tulane' by Kate DiCamillo and 'Max and the Millions' by Ross Montgomery.

The Arts

In art, we will explore sculpture focusing on the artist 'Alberto Giacometti'.

In design & technology, we will be planning and making food- market research will support what we decide to make.

The pupils will benefit from a specialist teacher in music.

Physical Education

In PE, we will be learning about athletics, cricket, rounders and basketball.

RE & Character Education

In RE, we will explore the topic of pilgrimage.

Our Character Education sessions will focus on Safe Relationships & Managing Hurtful Behaviour and Keeping Safe.

Maths

This term we will be learning about time, multiplication, division, measures, geometry (position & area), shape and decimals.

We will also focus on all four operations and the appropriate formal methods for these.

This term is when we are involved in the national Multiplication check.

Memorable events

Ancient Greeks Experience Day & Historical visitor

EuroWitham Song Contest

Sports Day and sporting experiences

Science

This term's topic is 'Sound' and 'Electricity'.

Children will have the opportunity to plan and carry out a range of scientific investigations.

Computing

In computing, we will learn about digital art: repetition in games and using data loggers to manage data and information.

History & Geography

In history, we will be focusing on Ancient Greece. We will be learning about the rivalry between Athens and Sparta, focusing on comparing the two cities.

In geography, we will be focusing on physical and human features of European countries and 8 points of a compass.

ANCIENT GREECE
