## Summer Term

Year  
Six

### English

Children will be reading 'Letters From The Lighthouse' by Emma Carroll.

In writing lessons, children will be producing a range of narrative and non-narrative texts. They will be reviewing their grammatical knowledge and vocabulary.

### Science

The science topics this term are 'Animals including Humans' and 'Living Things and their Habitats'.

Children will also plan and carry out scientific investigations.

### Physical Education

This term's sports are athletics, cricket, rounders and dance.

### Maths

This term, children will be reviewing a range of mathematical topics and improving their speed and accuracy in arithmetic calculations.

### Memorable events

Visit to Bomber Command Centre (11/06)

Secondary School transition visits.

### The Arts

In Art lessons, children will explore different sculpture techniques.

In Design Technology lessons, children will make fairground rides incorporating an electrical circuit.

In Music, children will be working on their performance skills.

### RE & Character Education

In RE, children will be looking at life journeys in Hinduism and Islam.

They will be discussing safe relationships, growing and changing and they will take part in transition sessions with their secondary schools.

### History & Geography

Children will be learning about European geography.

Children will learn about what life was like in England during World War II.

### Computing

Children will continue to learn about e-safety.

There are two computing units this term:

- Webpage creation
- Introduction to spreadsheets.

# World War II
