

We expect all children to come to school everyday unless they are too ill to attend.

Children can come to school with the majority of minor illnesses, including coughs, colds, and tummy aches.

What it's called	What it's like	Going to school	Getting treatment	More advice
Chicken Pox	Rash begins as small, red, flat spots that develop into itchy fluid-filled blisters	●	Pharmacy	Back to school 5 days after on-set of the rash
Common Cold	Runny nose, sneezing, sore throat	●	Pharmacy	Ensure good hand hygiene

What is good attendance?

At Witham St Hughs Academy we are committed to reducing high levels of school absence. We expect every pupil to maintain an attendance level of 100% unless there are authorised reasons that occur.

The Department of Education class persistent absence percentage from 10% and below. So any child whose attendance is lower than 90%, at any point in the year will be classed as being persistently absent.

The Law

"It is the legal responsibility of every parent to make sure their child receives an education. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school"

What is unauthorised absence?

Absence is not allowed for:

- Holidays
- Forgetting school term dates
- Oversleeping
- A family member, including siblings, being ill

Witham St Hughs Academy do not authorise leave of absences unless there are exceptional circumstances, irrespective of the child's overall attendance.

Where a parent takes a leave of absence to which the application was refused or takes a leave of absence where no application was made, school will request a penalty notice to be issued by the Local Authority. The £60 penalty notice will be issued to each parent of the individual child.

Our Attendance Policy

We are committed to meeting our obligation with regards to school attendance through our culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend.

Why does attendance matter?

Attending school on a regular basis is the key to your child doing well at school and will set them up with good habits for later in life and the working world. Witham St Hughs Academy offers your child many exciting opportunities and experiences to enhance their learning – if children miss a day they miss out! There is a significant impact on learning for each day school is missed or pupils are late.

If your child is absent from school you must notify us

Please call the school office before 9am or inform a member of staff on the playground if you child is off school.

If school are not notified about your child's absence the school office will call between 9.00am and 9.30am each day.

A phone call should be made to the Academy each day the child/children continue to be absent unless agreed otherwise.

When calling please provide the following;

- Name of pupil
- Class teacher
- Your name and relationship to the pupil
- Reason for absence
- Any other relevant information.

If your child has an appointment, they must still attend school before or after the appointment, they should not miss a whole school day. Please try to provide evidence and make these outside of the school day.

All children's attendance will be monitored weekly. Mrs Dexter our Attendance Leader will call all families where a child's attendance is below 95% for a term. The academy can offer support to all families should it be required. Please continue to contact Mrs Dexter if you have any concerns regarding attendance.

Remember, we will support you in any way we can to help your child to attend school every day and on time.

Thank you for your ongoing support.
