

Year 3

This term our topic is: Active Planet

English

- We will learn to use a range of different sentence structures and develop our skills with punctuating speech.
- We will use this learning to write a narrative, an instructional text and a poem.

Maths

- This term we will be learning about addition, subtraction, multiplication and division.
- We will also be learning about time, fractions of shapes and number.
- We will recap and extend our learning of the 2,3,4,5 and 10 times tables.

The Arts

- In art we will explore observational drawing techniques.
- We will continue to build on our music knowledge during lessons with a specialist teacher.

Memorable Events

- We will create a product to sell at our very own stall as part of the Christmas Enterprise Fayre.
- We will be visited by an author and take part in writing workshops.

Computing

- In I.C.T we will learn how to use editing apps on iPads.
- We will also learn how to become vloggers.
- As part of team, we will plan and record our own news report linked to our topic.

RE/Tolerance

- In RE we will explore Hinduism and Christianity.
- We will also learn more about managing emotions and our mental wellbeing.

Science

- We will learn about the properties of different rocks and soils.
- We will carry out simple experiments using magnets.

History/Geography

- We will name and locate countries that have extreme weather.
- We will learn about natural disasters through case studies.
