

Year 4

This term our topic is: Active Planet

English

- We will learn to use speech, conjunctions, cohesive devices and learn about different verb forms.
- We will use this learning to write an instruction text, narrative and a newspaper report.

Maths

- This term we will be learning about Number and Place Value.
- We will also be learning about Addition and Subtraction.
- As well as this, we will focus on time.

The Arts

- In art we will explore different styles and effects of collage.
- We will continue to build on our music knowledge during lessons with a specialist teacher.

Memorable Events

- Within our Enterprise Curriculum the children will work towards hosting their own KS2 Christmas Market.
- During the autumn term the children will be visited by a published author.

Computing

- In I.C.T we will learn how to compose music using an app.
- We will also learn how to create a toy using Scratch software.
- As part of Internet Safety, we will look at what information should be kept private online.

RE/Character Education

- In RE we will explore Sikhism and Christianity.
- We will also learn more about how to look after our own Mental Health.

Science

- We will learn about teeth and the digestive system.
- We will learn about living things and how to organize using classification keys.

History/Geography

- We will locate the ring of fire and identify the position of tectonic plates in relation to countries.
- We will learn about natural disasters and their effects on the planet.
