

Year 1

This term our topic is: A Toy's Story

Phonics

- We will continue to learn out set 3 sounds and practise blending these to read words.
- We will be using capital letters, finger spaces and full stops in our writing.
- We will be checking our reading and writing makes sense.

Maths

- At the start of this year we will be learning about number and place value.
- We will learn to add and subtract using numbers up to 20.
- We will learn how to halve shapes and amounts up to 20.

The Arts

- In art we will develop our drawing skills in our sketch books.
- In music we will learn to change the pitch and volume of our voice.

Memorable Events

- We will do lots of outdoor learning, including nature trails and flower hunts.
- We hope to be performing a Christmas Production in December.
- We will go on a virtual tour of London on our very own Witham Bus Tour in the immersive suite!

Computing

- In computing, we will look at audio books and create sound effects for story books.
- We will also pretend to be TV chefs and create instructions on video!

RE/Character Education

- In RE we will learn about Christianity, including learning the creation story.
- We will learn how to look after our Mental Health.

Science

- We will learn to name and describe the properties of a range of materials.
- We will carry out simple tests and present our findings.

History/Geography

- We will learn the name of the countries in the UK.
- We will learn about how toys have developed over time.
