

Year 2

This term our topic is:

Oh I Do Like To Be Beside the Seaside.

Phonics and Literacy

- In phonics, we will continue to practise blending sounds. We will also be using capital letters and full stops in our writing.
- In literacy, we will be looking at information texts based around David Attenborough, seaside poetry and writing stories about the Lighthouse Keeper.

Maths

- At the start of this term we will be focusing on number and place value and then later in the term we will be moving onto money and time.
- Every Thursday, our maths lessons are going to have an arithmetic focus and have a fraction focus on Fridays.

Design and Technology and Art

- In Art this term we are going to be exploring the technique of sculpture. We are going to explore the different sculpting techniques and then as our final product we will be sculpting a fish!
- In Design and Technology, we are going to be designing and making a healthy ice lolly as a beach snack!

Memorable Events

- We hope to be visiting The Seal Sanctuary and Mablethorpe beach during Termlet 6.
- We will be running another WOW day at school filled with exciting activities based around the seaside.

History/Geography

- In history, the children will be comparing the seaside now with what the seaside was like in the past.
- In geography, we will be looking at the seas surrounding the UK. We will also be comparing human and physical land features.

RE/ Character Education

- In RE we will learn about Islam. We will be comparing the Islamic faith to Christianity.
- In Character Education, we will be learning about how to stay safe.

Science

- We will learn all about the different animals in the world and the different habitats that they live in. We will also be looking at food chains and how humans change when they become older.
- We will carry out simple tests and present our findings.

Computing

- In computing, we will be learning how to send and receive emails.
- We will also be looking at the importance of keeping safe online.
