

# Year 5 RT & RD

This term our topic is:

## Early Islamic Civilization

### Computing

- Pupils will have the opportunity to create their own vector graphics
- Children will continue to develop their programming skills to produce a selection of quizzes.

### The Arts

- In art we will explore observational drawing and collage.
- In design technology we will be planning a food project.
- The pupils will benefit from a specialist teacher in their music lessons working on playing an instrument, finishing the sequence with a performance.

### RE/Character Education

- In RE, we are exploring how to express beliefs through art.
- Our Character Education sessions will focus on growing and changing.

### Memorable Events

- Bike-ability
- Trumpet and P-bone music lessons (Miss Thomas's class)
  - Virtual author sessions
  - End of year production
  - Sports day

### Science

- This term's topic is 'Forces' and 'Living things and their habitats'.
- Children will have the opportunity to plan and carry out a range of scientific investigations.

### Maths

This term we will be learning about a range of topics:

- Money
- Addition, subtraction, long multiplication and division
- Converting measures
- Fractions

### English

- We will be reading 'Kensuke's Kingdom' by Michael Morpurgo.
- We will also be reading 'Land of Roar' by Jenny McLachlan.
- We will be studying various types of writing, including an author study, film narrative, play scripts and poetry.
- We will be reviewing a range of grammatical terminology.

### History/Geography

- Our history focus will be Early Islamic Civilization and the impact of the silk road.
- In geography, we will focus on developing our fieldwork skills.
