Autumn Term

Year
Four

English

We will learn to use speech, conjunctions, cohesive devices and learn about different verb forms.

We will use this learning to write an Information text, narrative and a newspaper report.

RE & Character Education

In RE we will explore celebrations in Islam, Christianity and Hinduism.

We will learn about healthy lifestyles and friendships

Physical Education

In PE we will be leaning about fundamental skills and football

Maths

This term we will be learning about number and place value.

We will also be learning about the four operations.

As well as this, we will focus on length and perimeter.

Memorable events

Within our topic we will be having an extreme weather day

Expert art workshop

The Arts

In art we will explore different styles and effects of collage.

We will continue to build on our music knowledge during lessons with a specialist teacher.

This term we are learning how to play Samba

Science

We will learn about teeth and the digestive system.

We will learn about living things and how to organise using classification keys.

History & Geography

We will locate the ring of fire and identify the position of tectonic plates in relation to countries.

We will learn about natural disasters and their effects on the planet

Computing

In computing, we will learn about networks and how to create a podcast.

As part of Internet Safety, we will look at what information should be kept private online
